#linocollection

La bellezza tutta naturale del lino italiano 100%, leggero, traspirante, la morbida freschezza leggermente stropicciata ad arte, una mano unica.

#linocollection di Olibò, una gamma di cuscini in una fantastica palette di colori tutti coordinabili. Finiture a vista e dettagli di un aspetto sofisticato che esaltano la natura artigianale.

The "all-natural" beauty of 100% italian linen, lightweight, breathable, the soft freshness slightly creased craftily, an unique texture.

#linocollection by Olibò, a range of cushions in a fancy mix-and-match color palette. Visible stitching and sophisticated details highlight its artisanal nature.
